

Nuno Datia

ISEL

Web page: <http://ndatia.eu>

Email: [datia@isel.ipl.pt](mailto:datia@isel.ipl.pt)

Tel: (+351) 218 317 119

## Degrees

---

2015	Ph.D in Computer Science, granted by FCT-UNL
2006	MSc in Computer Science, granted by FCT-UNL, Portugal
2002	Licentiate in Computer Science, granted by ISEL,Portugal
1999	BsC in Computer Science, granted by ISEL,Portugal

## Research Interests

---

Spatio-temporal analysis, Knowledge Representation and Reasoning, Data Warehouse, Data Mining, Context aware applications

## Selected Publications

---

	More than 15 publications in the areas of Data warehouse, Data mining and Multimedia
Jul. 2018	RA Silva, JM Pires, N Datia, MY Santos, B Martins, F Birra: “ <i>Visualising hidden spatiotemporal patterns at multiple levels of detail</i> ”, 2018, 22 <sup>nd</sup> International Conference Information Visualisation (IV)
Mar. 2016	Nuno Datia, João Moura-Pires, Nuno Correia: “Time and space for segmenting personal photo sets”, Multimedia Tools and Applications, 2016
Dez. 2013	Vitor Santos, Nuno Datia, Matilde P.M. Pato: ”Ensemble Feature Ranking applied to medical data: Breast cancer dataset”, CETC2013, Conference on Electronics, Telecommunications and Computers, Lisbon, Portugal, ISBN:978-989-97531-3-6
Dez. 2005	Nuno Datia, João Moura Pires, Margarida Cardoso e Helder Pita: “Temporal Patterns of TV watching for Portuguese Viewers”, in EPIA 2005 - 12th Conference on Artificial Inteligence, 151-158, IEEE, ISBN 0-7803-9365-1.

## Academic

---

Supervisions	12 master thesis and more than 20 licenciante projects in Computer Science
Main examiner	2 master thesis and more than 30 licenciante projects in Computer Science

## Positions

---

Since Out. 2008	Research at FCT-UNL (CENTRIa & NOVALincs)
Since Feb. 2015	Member of the Spatio Temporal Analytics Research interest group
Since Mar. 2003	Member of CCISEL, ISEL
Since Feb. 2015	Adjunct Professor at the Computer Science department of ISEL, lecturing undergraduate and graduated courses in Information Systems
Since Jun. 2018	Coordinator of the Masters in Computer Science and Computer Engineering at ISEL

## Other facts

---

Mar. 2010 - Jul. 2010	Complete the course entitled “Excellence in teaching and learning”, from the Unesco organisation, lectured by Aalborg University’ professors
